

Subject: recommendation

ATTN: to whom it is concerned

Date: 29.01.2014

Stavanger. Norway

Dear Sir/Madam!

Zsolt Szabó, (12.03.1966, Budapest- Hungary) was working for our sub-contractor ZÁÉV Norvegia.

He supervised for ZÁÉV the technical-quality and safety work at the structural work of Clarion Hotel Energy Stavanger from August 2013 to January 2014. The total area of this hotel occupies 18000 m2 and contains 400 available guest rooms distributed in 7 floors, and an access to DNB arena 2 floor with connection bridge. The construction consists of special steel and concrete/prefabricated elements.

He made for us an excellent work with his good personality, good communication skills and endurance.

Finally I proudly give him this recommendation being in aware so that he is able to perform many kind of new projects somewhere in the world.

Best regards,

Thomas Letting Madsen

HENT quality leader
